LOCAL RULES

League Competitions

1. A rink must play any scheduled league game with at least two of its regular members. Where this is not possible, the game must be awarded to the opposing rink **but** every effort should be made to secure enough players to give the opposing rink a friendly game.

2. All league games shall be ten ends.

3. Games will commence sharp at 5.30 p.m. and 8.00 p.m. An electric bell will be rung at 5.25 p.m. and 7.55 p.m. at which time rinks are required to proceed to the ice, ready rocks and be prepared to commence games **on time**. At 7.35 p.m. on the first draw and 10.05 p.m. on the second draw the bell will again be rung. At this signal rinks will complete the end already in progress and play will then cease.

Substitutions

When either one or two regular members of a rink are unable to play the following rules **must** be observed:

1. When both the skip and third are absent, a substitute may skip the rink but the other replacement must play lead.

2. In all other cases, any substitution must be made from the lead position up, the regular members moving up in position as required.

Important

When a player cannot play as drawn, he should advise his skip as soon as possible.

Substitute Players

A new spare system is being inaugurated as follows:

1. A "spare" curler not assigned to any regular rink or a regular curler wishing an extra game may telephone the Club switchboard any time before 12 o'clock noon of the day or days he wishes to curl as a substitute. He must specify whether he is available for the 5.30 p.m. or the 8.00 p.m. draw or both. Such spares will be registered on the "spareboard" in the order calls are received.

2. Regular rinks requiring a substitute **must** call the Club switchboard for the spare or spares required and these will be assigned in the order they have been registered on the spare board. **Only** if no spares are registered

by 12 o'clock noon of the day a substitute is required or if the spare board has been exhausted, are rinks at liberty to secure spares of their own choice.

Absenteeism

Frequent absence of a player assigned to a regular rink is unfair both to the other members of his rink and to their opponents. The Committee reserves the right to replace players who are guilty of continual absenteeism.
